GENERAL STATEMENTS

Fares are in U\$S dollars por room per night, and they include breakfast
Fares do not include VAT 21 percent. Foreign tourists are reimbursed the VAT costs according to general regulations.

Should it correspond, the hotel will reimburse to the client the Value Added Tax (VAT) applicable to accommodation and breakfast services, when it is included in the room fare, in the terms of the conditions and aims established in the Value Added Tax Law in the Argentine Republic, 1997 text and modifications, Decree N° 1.043, Joint General Resolution 3971 and Resolution 566/2016, ancillary regulations and modifications. As an example, and not being this any limitation to established conditions and requirements, VAT reimbursement shall only apply if all and every one of the following requirements are fulfilled jointly:

The traveler or guest is a foreign tourist, in accordance with the stated in applicable regulations. Payment is made by international credit or debit card, issued outside Argentina, or foreign currency transference from abroad. In order to get the reimbursement, the client must give the hotel all documents and data stated by applicable regulations. In case penalties for cancellations or NO SHOW apply, VAT reimbursement will not apply, in accordance with existing Regulations.

Check in and Check out: Check in time is at 03.00 pm. For Early Check In, a 100% of the fare for the reservation will apply as pre-registration. Check out time is at 12pm.

For Late Check Out, a 100% of the fare will apply.

“No Show” In case any of the group members don't show up, the penalty for each cancellation is the equivalent to the complete stay fare for each room.

Validity and confirmation of the terms: These terms are subject to modification and do not imply commitment of reservation until the moment of formalizing the same under realization of an agreement between the parts.
